4. Playing system

Players borned year 2004 and 2007 will play together but will be ranked separately after the ranked positions. Competitions are held in accordance with the rules of the table tennis competition.

The competition order will be determined by the competition judge, considering the number of participants. The lottery of the race takes place according to the rating of the LR, calculated on the moment of the race, regardless of club membership. For foreign players the national rating is considered.

All players in the Latvian ranking need a license. If the license has not been purchased before the day of the competition, then you can pay for the license to the main judges on the day of the competition. License price 10 EUR! Foreign players are not required to license.

5. Equipment

Tables: Donic Waldner Classic 25

Balls: Nittaku premium 3***

Player Rocket Rubber should be listed on the ITTF Permitted Gum. The list of currently authorized ITTF gums can be found here :
